ENTERPRISE INCOME VERIFICATION (EIV)

Validation Tool (IVT)

Housing Choice Voucher Program

EIV & IVT is a system whereby all household social security numbers will be verified against the Social Security (SS), State Unemployment and State Income (SWICA) databases.

This information will be compared to the income you have reported to the Alexander City Housing Authority (ACHA). Any differences between the EIV income and what you have reported to the ACHA will be investigated.

Consequences for unreported or misreported family income could be cause for termination or court action for FRAUD or paying back in retro payments what should have been counted.

The ACHA requires that all income and family circumstance changes be reported within 10 days of the occurrence.

I, _____ understand that my reported income may be verified by the ACHA.
